Tipo GM

- corpo e raccordi, in acciaio A 105
- zincatura colore argento
- perno e sfera, in AISI 316 L

Guarnizioni standard

- sfera: POM mos 2
- perno: PTFE
- raccordo: PTFE + BUNA

Tipo GMX

- corpo, raccordi, perno e sfera in AISI 316 L

Maniglia di manovra

- acciaio zincato e plastificato blu

Type GM

- Body and pipe fittings are in steel A 105
- Silver zinc plated surface
- Stem and ball are in AISI 316 L

Standard seals

- Ball: POM mos 2
- Stem: PTFE
- Connection: PTFE + BUNA

Type GMX

- Body, pipe fittings stem and ball are in AISI 316 L

Handle

- Zinc plated steel with blue plastic sleeve

A richiesta: materiali, guarnizioni e filettature differenti. On request: different materials, seals and threads.
